TO ALL PARALEGALS, ATTORNEYS & OTHER LEGAL PROFESSIONALS

DATE: Thursday, November 20, 2008 ****Register online at www.sccparalegal.org****

TIME: 6:00 – 8:00 p.m.

TOPIC: **THE REALTIME ADVANTAGE**

SPEAKER: TRACY WINGROVE

Tracy Wingrove is an Account Executive with West Court Reporting Services. She has been with West for over 15 years in various roles, including that of a Westlaw Account Manager. This one-hour seminar, designed for both attorneys and paralegals, provides simple, proven strategies for using Realtime transcription, electronic transcript management, and digitized video – via LiveNote® software and services – to gain the advantage at depositions, hearings, arbitrations and trials. You will learn how the use of video and exhibits in LiveNote software can simplify the process of evidence management as well as lay the foundation for trial presentation allowing significant savings in time and money.

Many technology presentations and software “demos” focus on the use of technology for technology’s sake. Designed by technologists, such seminars emphasize product features rather than the ultimate needs of the litigator or litigation paralegal. This seminar is designed by an attorney with practice experience on large, complex litigation. It will focus on the use of key tools to provide you with a tangible, competitive edge throughout your case.

Ms. Wingrove received her J.D. from the University of San Diego and her B.A. from San Diego State University. A Bay Area native, she grew up in San Jose and currently resides in Sunnyvale with her husband and two children. Ms. Wingrove is an active volunteer with Hands On Bay Area and serves on the Board at her children’s school. She likes to spend time with her family, play tennis, walk, hike, camp and read.
